Beautiful duplex located in a new and very quiet area in Ciudad Quesada. On the ground floor is the garden on the corner and has plenty of space for BBQ, letting the children play and enjoy the sun more than 300 days a year. On the same floor it is located as an independent apartment that has a living-dining room, a double bedroom and a full bathroom. It has its own entrance and is prepared for guests, family or older children. On the upper floor at the entrance there is a terrace where you can have your coffee in the morning and enjoy the green atmosphere of the urbanization. Then...(Ask for More Details!)
